# Guidelines for Teams Traveling

- If players are to be dropped off and picked up at the ferry terminal notify parents of the itinerary drop off and pick up times.
- Discuss with Head Coach if parents will be traveling with the team.
- Know your numbers first before booking the size of bus required.
- If parents are traveling with the team suggestion is for parents to pay for their ferry cost to and from if there is room on the bus.
- Check in your team 45 minutes before departure time - everyone must be on site before you can make a payment.
- Confirm numbers with BC Ferry attendant before paying incase your numbers have changed.

### 1.2 Head Counts

- Ensure to do head counts prior to leaving to and from fields

- Ensure players leave the area clean.
- Ensure no sock tape, wrappers, left on the bus or in taxi's. Team can be fined for leaving garbage or a mess on the buses or in the cabs.
- **Be respectful we are guests on the ferry, on the bus and in the cabs.**

# Teams Participating in Out of Province Tournaments

## 2.0 Communication

### 2.1 Communicating with Club Technical Directors

- Head Coaching is required to communicate with Clubs Technical Director prior to confirming any participation in tournaments to ensure they are sanctioned and is a viable tournament to participate in.

### 2.2 Communicating with Team

- Once confirmed Head Coach and Manager are to look at the cost in participating in the tournament.
- Create a tentative budget to present to parent in providing a cost per player to participate in the tournament.
- Budget should include the cost of the tournament registration fee, Out of Province Insurance fee, food, hotel, laundry, possible vehicle rentals, gas, refund procedures and so forth.
- The cost per player should factor in the cost of the Coaching staff accommodations and food allowance per day, and any other expenses. Coaching staff accommodations and any other travel expenses should be covered by the team.
- Head Coach and Team Managers should schedule a meeting with the team or send out an e-mail outlining competition dates and ensure players confirm attendance/participation.
- Always a good idea to contact other managers/club members, which may have traveled to the same city as you are, for tips and ideas of what is there.

### 2.3 Communicate Refunds and Last Minute Cancelations

- Outline what the refund policy will be if any players will no longer be able to participate in tournament due to injury or change their mind.
- Full refunds would only apply if the player can be replaced.
- As soon as the tournament fee is paid for, collect from all players and this will be a non - refundable fee to players along with the Out of Province Insurance fee.
- If a replacement player agrees to attend they should not have to pay for the initial payments (registration fee and insurance). They should only pay for the accommodations, transportation, food

- **If flying**
  - Most airlines will allow for one name change. If player can be replaced then a refund can be issued. If there is a name change fee then the player who no longer is attending should cover the cost of the name change.
  - If the player cannot be replaced then they will receive a flight credit from the airlines, but ensure to ask this question when booking flights if they will provide this.

## 2.4 Tournament Coordinator

- Once you register in the tournament you will be receiving emails from the tournament coordinator providing you with
  - Administrative timelines
  - Itineraries
  - Check-in team information
  - Events, schedules, & program information
  - Advance purchasing of merchandise (t-shirts, hoodies and mementos for players).
  - This person will be your main contact for the event prior to and when you arrive at your competition.

## 3.0 Budget

Here is a guideline of what to take into consideration when determining your team budget

- **Flight cost** – if required call the Airlines directly for group booking.
- **Hotel Cost** – need to determine how many days you will be requiring hotel rooms and how many rooms you will require
- Search the area you are staying and try and determine the going rate for a hotel to guesstimate the cost plus add hotel taxes of approximately 12 – 16%.
- **Food** - Per player, team coaching staff and manager traveling - suggestion
  - \$25 dollars for dinner per day (including tip & beverage)
  - \$15 for lunch per day
  - \$15 for breakfast per day, if it is not included at your hotel
  - \$10 for snacks & water per player for the week
  - Food allowance should not be covered on traveling day with the exception if you arrive early and require dinner.
- **Laundry** – purchase of fabric softener and laundry soap plus the cost of washing and drying

- **Vehicle rental and gas**
- **Entertainment** – movie rental, hockey game, any other pre-determined team activities.
- **Misc items** – purchase of new jackets to include coaching staff, parking, possible extra baggage costs.

**Notes:** Equally divide the cost per player to cover the cost for the above items and also include the cost of the coaching staff flights, hotel rooms and meals, as listed above.

## 4.0 Accommodations

- With most US tournaments you are required to book through their inventory of properties listed on their tournament web site and submit your request.

## 6.0 Code of Conduct

- Players and parents have received and signed off on the Club's player conduct at the beginning of the season.
- Head Coach is to review this information with players and parents prior to leaving.

## 7.0 Advance Planning

- Keeping players properly fed, fully hydrated, well rested and focused/relaxed during the competition is essential.
- The first order of business is determining your travel dates with your coach. Without knowing when you are leaving it will be difficult to determine your budget and event plan.
- You most likely know your players fairly well by now, but it is a good idea to have your players complete a survey for what they like to eat for:
  - Snacks,
  - Pre-game foods
  - Post-game foods
  - Preferred beverage for breakfast, pre-game, post-game
  - Make sure you are aware of any food allergies
- It is good to know in advance, as it will allow you to ensure that you have these items on hand for players to access at any time.

## 7.1 Fundraising

- It is up to individual teams to decide how much fundraising you would like to take on and what is your goal for raising funds.
- The Club will provide a donation letter to support approaches to local businesses. You will find a sample at the end of this document.
- Corporate or business donations requesting receipts
  - Coquitlam Metro Ford Soccer Club is not able to provide receipts for donations.
  - The Club is a non-profit organization but does not qualify as a Charitable Organization.
  - Community sports organizations are not eligible for charitable status in Canada.
  - Businesses may be able to deduct donations as a business expense, but should consult their accountant for appropriate guidance.

### Tip:

- Purchase a receipt book and issue receipts by indicating the amount the donor has provided and the reason. For example:

“[Company Name/Individual] provided sponsorship fundraiser to “CMFSC [Team Name] [Age] [Gender]” attending the Canadian National Soccer Championship in [City, Province].

Thank you for your support!

Signed: [Team Manager/Fund Raising Manager]”

Place amount provided in the column as indicated on the receipt page. This can also be done with duplicate letters – one for each party.

## 7.2 Planning Lunches and Dinners

- Google map the area you are staying to locate restaurants, grocery stores, pharmacies, etc.
- Make reservations for at least the first two or three days and then you can decide when you are there where else to go.

### Tips:

- If you are staying at a hotel that does not include breakfast:
  - Tim Horton’s or Mc Donald’s are great if you call the night before and pre-order breakfast egg sandwiches, muffins, bagels and they will have them ready for you to pick up in the morning at the time you request. Have these items on site and available for players to eat at the hotel.
  - Fruit platters, individual Cereal boxes with Milk, Yogurt

- Have players provide you, in advance, with either Subway or Quizino's orders; depending on what is around your area. Then all you have to do is drop it off the day before. Makes it easier – same goes for pizza order's.
- Any pre-orders, such as sandwiches, ask the restaurant to place player's number on the packaging to make it easier to distribute.
- You can also ask for tomatoes, pickles on the side to avoid sandwiches from going soggy.
- Save money on dinner – purchase BBQ chickens. Budget 2 players per chicken (each player gets half). Pre-washed bagged salad, bread, potato salad to compliment. Costco or Safeway or any grocery stores would have these items.
- Purchase instant noodles such as Kimchi's and ask hotel to provide you with hot water flasks – they usually never charge you for hot water. Add cut up chicken for protein. Everyone loves noodles. Great snack as well.

### **7.3 Itineraries**

- Provide Players and Parents with a tentative Itinerary that is organized with coaches input prior to leaving and email your team so they are aware.
- Once at hotel, make copies and post in each room for players to see what their day will look like.
- Include key contacts room and cell phone numbers

## **8.0 Booking of Rooms and Special Requests**

### **Manager's Room**

- You can request for the manager to have a suite or a larger room or a room with just a king bed will provide you with extra space.
- Request an extra table for your room to place all snacks on, for players to come in at anytime to access and if you are required to serve breakfast.

### **Players' Rooms**

- Room phones and TV should have a block on them to avoid incidentals and extra unnecessary costs.
- Players can at anytime ask if they could order a movie with the head coach's permission. Either players pay for it or it can be factored into your budget to have that as an option for downtime for players.
- Have coach assign room captains to ensure rooms are kept clean and to assist manager with check-in and check-out.

### **Hotel Room Keys**

- Request hotel to provide you with one extra room key per players' room to have in case of any emergencies that the coach or manager are required to access players' room.
- Also good to have to spot check for curfew and the like.

### Wake Up calls

- Manager to confirm with coach and set up each day with hotel front desk to all players and coaching staff rooms.

## 9.0 Prior to Leaving Home

- Mandatory team meeting to review expectations for coaching staff, players, manager, Technical Director BCSP and parents.
- Player conduct - Expectations of parent and player conduct on and off the field.
- What to wear when traveling (to and from tournament, to and from fields, to meals/functions/events) – CMFSC issued team training kits and tops.
- Disciplinary action if any issue arises while away.
- Itinerary

### Tips:

- Have your daily breakfast/ lunch and dinner allowances in separate envelopes per day so you know how much you have to spend.
- If Flying - Purchase flagging tape – find it at Home Depot or Rona. This really helps to identify your team luggage when arriving at the baggage claim area. Place/tie strips of this flagging tape on all teams baggage to identify it quickly. They come in fluorescent colors. About \$3/roll.
